Division forces suffered one soldier killed and six wounded and evacuated for medical treatment.

DEVELOPMENTS AROUND THE WORLD (UPI)

SAIGON (UPI)—Allied troops discovered two weapons arsenals Sunday, one near the Cambodian border about six miles north of Saigon, the other just 10 miles from the downtown section of the capital. Spokesman said 16 of the deadly, 122-millimeter Soviet rockets were discovered within firing range of the giant Tan Son Nhut Airbase. In Saigon, U.S. intelligence sources reported that about 10,000 North Vietnamese troops are missing in a

plantation in Cambodia... apparently plotting another major assault on the city of Tay Ninh.

JERUSALEM (UPI)—Informed sources in Jerusalem said Sunday Israeli troops are using Soviet-made weapons captured during the six-day war last year against the Arabs who once manned them. The sources said Russian-made artillery and other weapons were re-conditioned in Israeli workshops. On the western front, a three-hour artillery, mortar and small arms fight ended early Sunday with both sides, Israel and Jordan, claiming the other started the shooting.
