

DISABLED AMERICAN VETERANS *Better Lives for America's Disabled Veterans*

DAV National Service Officers (NSOs) can assist veterans in filing claims with the VA, free of charge

Disabled American Veterans has never wavered in our commitment to serve our nation's service-connected disabled veterans, their dependents and survivors. Our largest endeavor in fulfilling that mission is our National Service Program. In 88 offices throughout the United States and in Puerto Rico, the DAV employs a corps of approximately 260 National Service Officers (NSOs) who represent veterans and their families with claims for benefits from the Department of Veterans Affairs (VA), the Department of Defense and other government agencies. Veterans need not be DAV members to take advantage of this outstanding assistance, which is provided free of charge.

NSOs function as attorneys-in-fact, assisting veterans and their families in filing claims for VA disability compensation and pension; vocational rehabilitation and employment; education; home loan guaranty; life insurance; death benefits; health care and much more. They provide free services, such as information seminars, counseling and community outreach.
